Community Action Isle of Wight's website has a Volunteer Centre at www.communityactioniw.org.uk/helping-island-communities/volunteer-centre/, (01983) 539377, e-mail volunteer@actioniw.org.uk which aims "to build a strong, vibrant base for volunteering on the Isle of Wight through developing volunteering opportunities, recruiting and placing volunteers and by supporting organisations that need volunteers to do their work". The site includes a Do-it search facility for volunteering opportunities in which location, interests, activities and availability can be specified.
